

LIVER KICK™

Xtreme Liver Support
Pharmaceutical Grade Compounds
21 Clinically Proven Ingredients
Superior Liver Enzyme & Function
Liver Armor for Prohormones & Anabolics
L-Glutathione Enhanced Protection
1,640mg of Antioxidant & Detoxifying Compounds

Milk Thistle Seed (*Silybum marianum*): prevents and repairs damage to the liver from toxic chemicals and medications and greatly improve its function.

Alpha Lipoic Acid: binds with free radicals in a lean liver or in a fatty liver, and can confer free radical protection. It restores liver enzyme levels back to normal.

Artichoke Leaf (*Cynara scolymus*): increases bile production, reduces cholesterol, promotes urination, and stimulates appetite. It protects and regenerates the liver helping to detoxify many toxic substances.

Turmeric Root (*Curcuma longa*): a powerful antioxidant aids liver function primarily by reducing damage caused by the free-radical oxidation generated during metabolism.

Dandelion Root (*Taraxacum officinales*):cleanses the liver by increasing bile production and bile flow in the liver which transports toxins out of the body. It helps flush foreign particles from the gallbladder.

Green Tea (*Camella sinensis*): blocks the amount of fat stored in the liver preventing fatty liver disease. It enhances the rate fat is used for energy by the liver and blocks fat synthesis in the liver. It reverses declines in antioxidant defenses in the liver.

Phosphatidycholine: protects against damage from alcoholism, pharmaceuticals, pollutant substances, viruses, and other toxic influences.

Quercetin: a powerful flavonoid antioxidant and free radical scavenger, helps fight inflammation and decrease cellular damage.

Resveratrol: a powerful antioxidant and agent for preventing or treating human alcoholic fatty liver disease. Studies suggest it may prevent and treat the build-up of fat in the liver caused by chronic alcohol drinking.

N Acetyl Cysteine: protects against age-related decline of oxidative phosphorylation in liver mitochondria, protecting the liver from heavy metals like lead and mercury. It increases liver blood flow and improves liver function.

L-Glutathione: the major antioxidant produced by the cells, participating directly in the neutralization of free radicals and reactive oxygen compounds, detoxifying many Xeno-biotics (foreign compounds) and carcinogens, both organic and inorganic.

Supplement Facts

Serving Size: 3 Capsules Servings Per Container: 30

Dietary Supplement	Amount Per Serving	%DV**
Vitamin C (Ascorbic Acid)	200 mg	333%
Vitamin B6 (Pyridoxine HCL)	5 mg	250%
Vitamin B12 (Cyanocobalamin)	35 mcg	583%
Selenium (Selenium Amino Acid Chelate)	175 mcg	250%
Proprietary Blend	1000 mg	***
Milk Thistle Seed		***
Alpha Lipoic Acid		***
Artichoke Leaf (4:1 Extract)		***
Turmeric Root		***
Dandelion Root		***
Green Tea		***
Phosphatidycholine		***
Quercetin		***
Resveratrol		***
Amino Acid Matrix	640 mg	***
N Acetyl Cysteine		***
L-Isoleucine		***
L-Taurine		***
Glycine		***
L-Leucine		***
L-Methionine		***
L-Valine		***
L-Glutathione		***
Other Ingredients:		***
Gelatin, Rice Flour, Magnesium Stearate, Silicon Dioxide, Water		

** Percentage of Daily Values are based on a 2,000 Calorie Diet

*** Daily Value not established

Directions: Take 3 capsules daily with food.

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place away from moisture, sunlight and excess heat. Always keep tightly sealed. Does not contain any of the eight major allergens. Produced in a facility that processes eggs, soy, wheat, fish, shellfish, tree nuts, and dairy products.

"As the Strength and Conditioning Coach and Nutritionist for over 15 world title holders in mixed martial arts, I know what is effective and what produces real results you can see and feel."
